No. 11-564L  
 Filed: July 26, 2012

## ORDER

The court is in receipt of parties' filings regarding the defendant's motion to dismiss, including the most recent filings mentioning the applicable legislative history. The court is working through the record in the above captioned case, and noted that plaintiffs requested an oral argument on the defendant's motion. The court agrees that an oral argument would be helpful in the above captioned case. Therefore, the court **SCHEDULES** oral argument for **Monday, August 20, 2012, 2:30 p.m.**, at the National Courts Building, 717 Madison Place, N.W., Washington, D.C. 20005. The parties shall be prepared to address all issues in the case. The courtroom number will be posted on the day of the oral argument.

Prior to the oral argument, on or before **Wednesday, August 8, 2012**, each party shall simultaneously file a stand-alone submission, more fully incorporating the parties' legislative history findings into its arguments regarding the statute of limitations and, specifically, the stabilization doctrine. The parties' submissions also shall address and further develop their limited arguments regarding plaintiffs' standing in the above captioned case. The parties may file a response on or before **Wednesday, August 15, 2012**.

**IT IS SO ORDERED.**
